

KIDS3 DAYCARE

Kids3 Daycare & Out of School Care

February 2026

Welcome to Our Daycare Family!

We're so happy to have you and your little one join our daycare family! At our center, we believe that every child deserves a loving, supportive, and safe environment where they can explore, play, and learn with joy. Our dedicated teachers are here to nurture your child's curiosity, encourage creativity, and help them build confidence every single day.

What's New This Month?

Our classrooms will embark on a special adventure we are calling Unscripted Discovery! We are providing our curious minds-big and small-with a wonderful, random assortment of "loose Parts"

Outdoor Adventure Day

Outdoor play helps develop social skills, coordination, and a love for the environment.

Reading Corner Spotlight

Each week, we feature different storybooks to foster a love for reading and language development among our little learners.

Growing Together, Learning with Love

At our daycare, we believe that childhood is a journey best traveled with love, laughter, and discovery. We create a nurturing space where children learn through play, imagination, and exploration. Every activity is designed to develop not only early learning skills but also kindness, teamwork, and emotional growth. Our teachers are passionate about helping each child shine in their own unique way, ensuring that every milestone is celebrated. As we grow together, we build lasting bonds between families, caregivers, and children forming a true community of care.

“

Our teachers work closely with parents to ensure each child feels supported, understood, and inspired.

”

Every classroom is a space of creativity and discovery, where laughter fills the air and imaginations run free.
